### END OF SALE -- THANK YOU

NEXT SALE: June 23-24-25, 1949. Consignment books are now closed for this exceptional 3-day sale. We are, however, soliciting additional material to open the fall season with a fine sale in September. Material to be included then must reach us as soon as possible, as we shall be away the entire month of August.

Regarding the MASONIC ITEMS we mentioned in our April catalogue, we shall be in a position very shortly to give you additional information. In the meantime we should like to hear from any interested numismatist. This collection was for the most part the private collection of Frederick the Great and numbers over 900 different items including many jeweled pieces.

For the information of many collectors who have written us as to the price realized on the **NORTHWEST BEAVER TOKEN** in our last list, we are happy to announce that it went for \$140.00.
